

LOCAL SUPPORT FOR BAY OF PLENTY FARMERS

BY FARMERS. FOR FARMERS

JUNE 2014

This one-page list of resources highlights environmental advice, grants and other support available free to farmers, primarily through your Regional Council. Accessing this information can help you implement environmental practices on your farm.

Aerial Photos/Maps

Bay of Plenty Regional Council will supply aerial photos to farmers who request them. At this stage they are non-conditional and free.

Talk to your local Land Management Officer, (0800 884 880) based in Whakatāne, Rotorua, and Tauranga for more information.

Grants

The Bay of Plenty Regional Council has grants available for riparian management, erosion control and biodiversity protection to support natural resource management work on-farm. For further information contact your local Land Management Officer (0800 884 880) based in Whakatāne, Rotorua, and Tauranga for more information.

Support

Bay of Plenty Regional Council has Land Management Officers who can help with on-farm advice on land, soil, biodiversity, and biosecurity management.

Resources

Land management fact sheets – A wide range of fact sheets covering stream management, retiring land, managing runoff, plantings and soil.
