

LOCAL SUPPORT FOR MARLBOROUGH FARMERS

BY FARMERS. FOR FARMERS

JUNE 2014

This one-page list of resources highlights environmental advice, grants and other support available free to farmers, primarily through your Regional Council. Accessing this information can help you implement environmental practices on your farm.

Aerial Photos/Maps

The Marlborough District Council has photos and maps freely available through their website maps.marlborough.govt.nz\portal\

You can also contact Councils Land Resources Scientist to get a hard-copy aerial photo or map which is currently free and unconditional.

Grants

The Marlborough District Council has grants available within their Significant Natural Areas project. These grants are focused around biodiversity and are conditional. Contact the Land Resources Scientist.

Support

Farmers can contact Land Resources Scientist or Manager of Environmental Science and Monitoring section for more information on these areas.

Contact

For advice or more information you can contact Marlborough District Council on 0800 768 845 and ask to speak to a Land Resources Scientist or Biosecurity officer.
