LOCAL SUPPORT FOR OTAGO FARMERS

BY FARMERS. FOR FARMERS

JUNE 2014

This one-page list of resources highlights environmental advice, grants and other support available free to farmers, primarily through your Regional Council. Accessing this information can help you implement environmental practices on your farm.

Aerial Photos/Maps

Otago Regional Council can supply aerial coverage to farmers on request. At this stage they are free of charge.

Talk to your local Community Liaison and Education Officer for more information.

Support

Otago Regional Council has Community Liaison & Education Officers who can help with Whole Farm Plans, on-farm advice around land management, stream fencing, where required, and native plant selection for riparian areas.

You can get hold of them by contacting the Stakeholder Engagement unit and asking for a Community Liaison & Education Officer.

Contact

For advice or more information you can contact Otago Regional Council on 0800 474 082 and ask to speak to a Community Liaison & Education Officer.
