LOCAL SUPPORT FOR TASMAN FARMERS

BY FARMERS. FOR FARMERS

JUNE 2014

This one-page list of resources highlights environmental advice, grants and other support available free to farmers, primarily through your Regional Council. Accessing this information can help you implement environmental practices on your farm.

Aerial Photos/Maps

Aerial photos are available on:
www.topofthesouthmaps.co.nz.

These are currently free and unconditional. If you can't get what you need from this resource then, on a case-by-case basis Tasman District Council can provide maps at cost. Contact pete.frew@tasman.govt.nz for more information.

Grants

The Tasman District Council has grants available for fencing and erosion control through the Farm Fencing Fund and the Erosion Control Fund.

Contact andrew.burton@tasman.govt.nz for more information.

Support

Tasman District Council has Andrew Burton and Trevor James who can help with on-farm advice around land management and improving water quality and aquatic ecology.

Resources

Planting for Erosion Control
