

LOCAL SUPPORT FOR WAIKATO FARMERS

BY FARMERS. FOR FARMERS

JUNE 2014

This one-page list of resources highlights environmental advice, grants and other support available free to farmers, primarily through your Regional Council. Accessing this information can help you implement environmental practices on your farm.

Aerial Photos/Maps

Waikato Regional Council can supply aerial photos and spatial information to farmers on request.

Email inforeq@waikatoregion.govt.nz for further information.

Grants

The Waikato Regional Council has grants available for certain catchment management works. Contact your local Catchment Management Officer for more information.

Support

Waikato Regional Council's Catchment Management Officers can help with on-farm advice around land management. You can also talk to the Sustainable Agriculture Coordinator for information on Land and Environment Plans.

Contact

For advice or more information you can contact Waikato Regional Council on 0800 800 401 and ask to speak to your local Catchment Management Officer or the Sustainable Agriculture Coordinator.
