- North and East Otago—three events
- Central Otago—three events
- Otago Environmental—two events/field days

Innovation Farm

David and Lisa Anderson. Starting of new project: Increase profitability while maintaining the environment.

FARMER INITIATED TECHNOLOGY TRANSFER PROGRAMME [FITT]

Funding available for two projects.

B+LNZ WORKSHOPS

- Eight Farm Safety Management Systems
- Six Wormwise workshops
- Four Farm Environment Plan
- Four Land and Environmental Plans
- Four Feed Budgeting
- Soil Health and other workshops

COLLABORATIVE EXTENSION

FarmSmart seminar

Annual seminar with farmer and industry speakers delivering information on current and important topics to the farmers of the NSI region.

North Otago Sustainable Land Management

NOSLaM will put in place some ongoing activity for the North Otago catchment, which Beef + Lamb New Zealand will support.

Dairy Heifer Focus Farm

in conjunction with DairyNZ. A focus farm in North Otago for discussion and demonstration of Good Management Practice when rearing dairy heifers on sheep and beef farms.

CSI FARMER COUNCIL EVENTS

Big Day Out

Large scale on farm field day.

Beef + Lamb Challenge

Dinner at Cromwell Polytechnic to celebrate cooking of beef and lamb products.

Meetings

Three general and one annual meeting.

General sponsorship

Support sheep and beef farming communities.
